CFN's Brian McCall interviews Dr. Joseph Shaw, President of the International Federation Una Voce and Chairman of the Latin Mass Society of England and Wales, about his new book, *The Liturgy, the Family, and the Crisis of Modernity* (Os Justi Press, 2023). The book surveys a variety of arguments in favor of the Traditional Latin Mass, traditional gender roles, and traditional family life in light of the crisis of modernity. With intensifying rumors about new restrictions being imposed on the Traditional Mass appearing almost daily, this conversation and book are helpful aids to put the discussion and concerns into a broader context.
