

Tickets for the Catholic Family News 2019 Conference are now on sale. The theme this year is **Fifty Years of Problems with the New Mass**. Next year marks the fiftieth anniversary of the tyrannical infliction of the New Mass on the Church. Providentially, the conference will be held over the feast day of the saint of the Mass of All Ages, Pope St. Pius V, who codified and in a certain sense canonized the Traditional Latin Mass. Join us **May 3-5, 2019 in Chicago Illinois**.

Information about the conference, a list of speakers and topics, and pricing is available on the *CFN* website by clicking the button below.
