

VINTAGE VIDEO: Michael Davies, William F. Buckley & Malachi
Martin vs. the New Mass

This program first aired in 1980 on PBS. Although Michael Davies' optimism about the then-young pontificate of John Paul II unfortunately turned out to be unfounded, the discussion of the New Mass after its first 11 years of use is a great resource and a good preparation for the CFN 2019 Conference: *Fifty Years of Problems with the New Mass* (to be held in Chicago May 3-5).
