Dear Friends of the Catholic Tradition,

This month marks the 102nd anniversary since the first apparition of Our Lady to the children of Fatima. The Message of Fatima and the warnings given to us and the Church are needed more urgently today than ever. The diabolical disorientation (predicted by Sister Lucia) at the highest levels of the hierarchy grows at a rate unthinkable to the average Catholic in 1917.

Yet, the Message of Fatima is not only a warning but also a message of hope. “In the end, my Immaculate Heart will triumph.” As dark as the hour seems, the darker it gets, the closer we come to that glorious Triumph. In the meantime, we must hold fast to sure ground so as not to be swept away by the diabolic confusion raging around us. We need prayer, especially the Rosary, penance, and a continual study of the truths of the Faith.

With so much confusion abroad, we must always come back to the sure doctrine of the Church. At *Catholic Family News* we have no doctrine of our own. We merely hold fast to what the Church has always taught. Amid the endless committees, ambiguous and confusing documents, and contradictory signs, together with St. Paul we simply state: “But we preach Christ crucified, unto the Jews indeed a stumbling block, and unto the Gentiles foolishness: But unto them that are called, both Jews and Greeks, Christ the power of God, and the wisdom of God. For the foolishness of God is wiser than men; and the weakness of God is stronger than men” (1 Cor. 1:23-25).

Subscribe or renew your subscription today and make sure you have access to each edition of *Catholic Family News* to be an anchor for you in this time of great spiritual chastisement predicted by Our Lady during so many apparitions and especially in the Third Secret of Fatima.

We will be happy to send to anyone who subscribes or renews a subscription in May a complimentary copy of the book *Sister Lucia* by Mark Fellows (offer expires May 30, 2019). In this work, you will come to know better this great apostle of Our Lady who watched from behind the convent grill the auto-demolition of the human element of the Church that she knew could be avoided or lessened by the consecration of Russia.
