

*Catholic Family News* is happy to release today a video recording of Editor-in-Chief Brian McCall's Welcome Address to this year's CFN Conference. The theme for the weekend (May 3-5, 2019) was *The New Mass: Fifty Years of Problems*. In his lecture, McCall set the tone for the weekend and described the significance of the 1549 Western uprising against the New Mass of Thomas Cranmer, which in many ways was more conservative than the New Mass of Paul VI.
