

CFN Releases Conference Video of Father Michael McMahon: A New Priest for a New Mass

In this conference, delivered in Chicago at the *CFN 2019 Conference on Fifty Years of Problems with the New Mass*, Father McMahon shows how the creation of a New Mass has led to a distortion of the true nature of the priesthood. Since the priest is united to the Mass, a radical alteration of the Mass inevitably led to a transformation of the priest from a man of sacrifice to a president of the assembly.
