

Shortly before Christmas 2019, CFN Managing Editor Matt Gaspers was interviewed by [Restoring the Faith Media](#), an apostolate launched over the summer of 2019 whose goal is to produce orthodox Catholic content using primarily online broadcast media (video and podcasting).

In this wide-ranging interview, Mr. Gaspers shares about his personal background and path to Tradition, discusses the vital importance of Our Lady's Fatima Message, and walks viewers through the disastrous Amazon Synod, including its heterodox final document.
