

Call to Arms: Sermon of Father Michael McMahon entitled War not Crumbs.

Father Michael McMahon presented a conference at our 2019 conference on Fifty Years of Problems with the New Mass. His [conference](#) was entitled a New Priest for a New Mass. The video of his conference has been very well received. We are pleased to post a link to a sermon he delivered on July 12, 2020 at St. Dennis Church in Canada. It is a rousing call to arms to be militantly Catholic in these dark times. You can listen to his sermon here:
