In this CFN Special Report, Editor-in-Chief Brian McCall interviews Dr. Robert Royal, founder and President of the Faith and Reason Institute (publishers of The Catholic Thing), about his new book, *Columbus and the Crisis of the West* (Sophia Institute Press, 2020). Dr. Royal provides important insights about our past and its role in understanding the present attempts to nullify history and tear down monuments to figures such as Christopher Columbus.

Dr. Royal's book is available for purchase here.
