This week's news program is devoted exclusively to a deep analysis of Pope Francis' illegal attempt to quarantine and cancel the 2,000-year-old Traditional Latin Mass in *Traditionis Custodes*, his new Apostolic Letter (July 16, 2021). This episode is essential for anyone interested in the Rite canonized by Pope St. Pius V. What does the document say? What are the reasons Francis gives? What is the end-game here? What will happen to the FSSP, ICKSP, the SSPX, diocesan priests? These and other questions are answered in this complete report.
