

Calling All Traditional Clergy to Consecrate the World to the Immaculate Heart

Catholic Family News is pleased to post an announcement of a plea for all Traditional communities to join a consecration to the Immaculate Heart of Mary on August 15. Obviously, such an effort will not satisfy Our Lady's particular request that the pope and all bishops of the world consecrate Russia to her Immaculate Heart, but that act can only be commanded by a pope. Yet, cardinals, bishops, priests, and the laity can engage in this consecration to attempt to console Our Lady until the Consecration is finally made "in the end," as she predicted. Share this announcement with your traditional clergy!

Calling All Traditional Clergy to Consecrate the World to the
Immaculate Heart

All Catholic communities and individuals faithful to the Traditional Latin Mass are invited to join together in a world wide corporate consecration to the Immaculate Heart of Mary, on the feast of Our Lady's Assumption, Sunday 15th August, 2021.

In this grave hour, with confidence let us entrust to the Immaculate Heart of Mary ourselves, our families, our communities, the traditional Latin Mass, the Holy Catholic Church, and Russia.

The formula proposed for this Consecration may be found at:

Calling All Traditional Clergy to Consecrate the World to the Immaculate Heart

The Holy Catholic Church is in an unprecedented world wide crisis. The only hope for the Faithful is a Divine intervention, through the intercession of the Immaculate Heart of Mary. Two priests who wish to remain anonymous — one a Diocesan, the other a Religious, both of whom offer exclusively the Traditional Mass — propose a world wide consecration to the Immaculate Heart by all TLM communities on 15 August, 2021, the feast of Our Lady's Assumption. They hope that many Cardinals and Bishops will also associate themselves with this entrustment. May the Immaculate Heart of Mary triumph and reign!
