

Listen to a roundtable discussion among CFN Editor-in-Chief Brian M. McCall, E. Michael Jones, Tim Kelly and host, David Schmitt, at [The Second Society podcast](#): "Reproduction for Europeans and Christians: from Theory to Action." The wide-ranging discussion begins by considering the contraceptive culture that dominates Church and State and touches upon just wages, usury, and banking. The participants present many positive, practical ideas for Catholic families to survive and thrive in this culture war. It ends with a message of hope.
