Brian McCall Discusses Usury and Catholic Economics on New Podcast Channel

CFN Editor-in-Chief Brian McCall was happy to be one of the first guests on a new podcast channel, *Civitas Dei International* (International City of God). McCall discusses Catholic teaching on usury and diagnoses many of the problems with our current monetary and financial system. The first edition of his book, *The Church and the Usurers: Unprofitable Lending for the Modern Economy*, is sold out at publisher (Ave Maria University Press) but Angelus Press may still have a few copies in stock. A second edition is in production.
