Brian McCall speaks with Fr. James Altman, who gave a fiery interview about the recent attempt (ultimately futile) of His Excellency Bishop William P. Callahan to cancel all Traditional Latin Masses in the Diocese of La Crosse, Wisconsin.

In the course of the interview, Fr. Altman gives some excellent advice for priests and faithful regarding how to respond to this tyrannical persecution, including an exhortation to read Dr. Peter Kwasniewski's *True Obedience in the Church* (see here for CFN's review of the book).
