

WATCH: Gaspers Interviewed by Fatima Center about World Youth Day

In anticipation of [World Youth Day 2023](#) in Lisbon, [The Fatima Center](#) recently interviewed CFN's Matt Gaspers, who attended WYD 2002 in Toronto — the same one that [John Vennari](#) (RIP) attended to cover for CFN.

Gaspers discusses his own experience attending the event 21 years ago and some of the doctrinal, liturgical, and practical problems with World Youth Day as the event is typically run, particularly in light of Our Lady's Fatima Message.

Stay tuned for a full description of Gaspers' experience at WYD 2002 in the upcoming July 2023 issue of CFN! [SUBSCRIBE HERE](#)
