

## Special Report: What Can Catholics Do in the Face of Illegitimate Acts of a Tyrant Pope?

Brian McCall and Dr. Peter Kwasniewski discuss authority, obedience, tradition and the common good. They examine the principles that need to guide our actions in light of the attacks on Catholic doctrine and liturgy that have intensified in the past fourteen years. Dr. Kwasniewski's recently published book *Bound by Truth: Authority, Obedience, Tradition, and the Common Good* is available from Angelico Press.
