

Introduction

In Nomine Patris, et Filii, et Spiritus Sancti. Amen.

The forces of evil planned to have the ultimate victory over President Donald Trump by ending his life on Saturday, July 13, 2024. It was the 107th anniversary of Our Lady's third appearance at Fatima on July 13, 1917. The stage seemed set for a blessed day: thousands of people gathered at the Butler County Fair Grounds near Pittsburgh, Pennsylvania as President Trump addressed an enthusiastic crowd.

However, at the other end of the grounds, a sinister stage was set: A building with a direct line of sight to where President Trump would stand was left unattended and unguarded as a man climbed to its roof with a rifle and made his way into shooting position. For untold minutes, the crowd furtively shouted to security forces, "Man on the roof! Man on the roof!" But nothing was done until deadly bullets were fired at President Trump. It was a "vision of hell" for our troubled times on this July 13.

On July 13, 1917, Our Lady of Fatima not only showed the three shepherd children a vision of hell for all time, She also promised, "In the end, My Immaculate Heart will triumph." The serpent, personified today by the forces of evil, was told by Almighty God: "I will put enmities between thee and the Woman, and thy seed and Her seed: SHE shall crush thy head, and thou shalt lie in wait for Her heel" ([Genesis 3:15](#)).

As the deadly bullet screamed toward President Trump's head, *at the last moment* he slightly turned his head and only his right ear was pierced. Trump himself praised God for saving his life, [posting](#) early Sunday morning that it was "God alone who prevented the unthinkable from happening."

I would suggest that Our Lady was in Butler on the 107th anniversary of Her July 13th appearance at Fatima, as the serpent and his evil cohort were defeated. That day was a sign that Donald Trump could be an instrument in God's Hands to lead us back to being "One Nation Under God." The forces of evil will be crushed under Our Lady's feet, but not without our suffering. We especially pray for those innocent victims injured or killed on July 13, 2024 and for their grieving families.

Our Lady of Fatima

Queen Esther

Our country and world are in turmoil. The forces of evil seem to be in complete control. We can relate to the Jewish people in the Book of Esther, shown in a situation that appeared to have no hope. Queen Esther was their last chance for survival and her intercession with the King [saved the day](#) on the 13th of the month.

The Book of Esther tells of how the 13th of the month was the date for the destruction of all the Jews living in the Persian Empire. The Hand of God saw fit *at the last moment* that Esther, a beautiful Jewish maiden, would be chosen by the Persian King to be his wife. Queen Esther was able to obtain a reversal of this death sentence on the very day it was to be carried out — the 13th day — the day that Our Lady appeared six times at Fatima.

Queen Esther foreshadowed the Blessed Virgin Mary. The name Esther means “star.” Could it be that the star on the hem of Our Lady of Fatima’s garment points to the Biblical story of Queen Esther; and the Blessed Mother’s intercession with Christ the King *at the last moment* for President Trump on July 13, 2024?

Humiliated by a Woman

For 'woke' and politically correct purposes, the Director of the Secret Service determined to [place more women in prominent roles](#) as agents. And so it was on July 13, 2024 that the wounded President Trump was human-shielded by some large men and several women whose smaller bodies could not provide complete protection to the much larger Trump. Despite this, the protection by those courageous men and women were enough at that point in time to humiliate the forces of evil.

As a reflection of Our Lady, a woman crushing the head of the serpent, St. Louis de Montfort wrote in [True Devotion to Mary](#) (n. 52): "satan, being proud, suffers infinitely more from being beaten and punished by a little and humble handmaid of God, and Her humility humbles him more than the Divine power." The female Secret Service agents served to further humiliate the forces of evil on July 13, 2024 and are to be commended, while the actions of their director should be condemned.

The Angelus

The Trump rally began around 6:00pm, the traditional time for praying the Angelus. At that time, high above the crowd, a strong wind [blew the flag](#) of the United States of America into what many described as an image of an Angel.

The Annunciation of the Lord, described in the Angelus, took place in the [Holy House of Loreto](#). The Holy House of Loreto was the home of Jesus, Mary, and Joseph in Nazareth, which was miraculously transported on the wings of Angels from the Holy Land to Loreto, Italy. We will hear more about the Holy House of Loreto later in this article.

The Shooter

The ‘wokeness’ of the Director of the Secret Service reaches down to the [person identified as the shooter](#) of Donald Trump, Thomas Matthew Crooks. First of all, let us be clear: Although 20-year-old Crooks was a registered Republican, he was no doubt like many ‘Trump-haters’ in Pennsylvania — not really a Republican, but one who registered Republican just to vote *against* Trump in the primary elections. In Pennsylvania, a Democrat cannot vote in the Republican primary and vice versa.

Incredibly, Crooks was [spotted in a BlackRock advertisement](#) filmed at a Bethel Park school, not far from the Butler County Fair Grounds! BlackRock is a ‘woke’ multinational investment company that has a “commitment to promoting environmental, social, and governance principles, a collection of socially responsible investing values widely known by their acronym, ESG.” The ESG movement was said to have been initiated by the World Economic Forum, a force of evil, which introduced the Great Reset, “a pandemic initiative for businesses to recommit to values of social good, accompanied by a scoring system to track their progress on issues such as environmentalism, LGBTQ inclusiveness, and poverty reduction.” Florida Governor, Ron DeSantis’ attack on ‘woke’ corporations in the Sunshine State resulted in the Florida Treasury [announcing](#) that “it would divest \$2 billion worth of state funds from the financial services company BlackRock.”

Pittsburgh’s local Channel 11 News reported that multiple law enforcement sources described the security operation in detail Tuesday, directly contradicting public statements from the Secret Service Director. Channel 11 also [obtained exclusive photos](#) showing the cell phone *and transmitter device* found next to Crooks’ body moments after a Secret Service sniper shot and killed him. Seems like there is much more to this shooting and presumed shooter than meets the eye. It all reeks of evil and the forces of evil.

Ephesians 6:11

President Trump was shot at 6:11pm. After a moment of uncertainty, as he dropped to the ground after the bullet struck him, he triumphantly rose and defiantly pumped his fist in the air, declaring, “Fight! Fight! Fight!” We must all fight against the forces of evil! Reference can be seen here to [Ephesians 6:11](#), which states: “Put you on the armor of God, that you may be able to stand against the deceits of the devil.”

And the passage continues: “For our wrestling is not against flesh and blood; but against principalities and powers, against the rulers of the world of this darkness, against the spirits of wickedness in the high places. Therefore, take unto you the armor of God, that you may be able to resist in the evil day, and to stand in all things perfect. Stand therefore, having your loins girt about with truth and having on the breastplate of justice: And your feet shod with the preparation of the gospel of peace. In all things taking the shield of faith, wherewith you may be able to extinguish all the fiery darts of the most wicked one. And take unto you the helmet of salvation and the sword of the Spirit (which is the word of God)”

(Eph. 6:12-17).

President Trump is a warrior and the forces of evil, by the grace of God, have lost to him every single time that they have attacked him in a myriad of diabolical ways. As a strong President, respected and/or feared by other countries, Trump once gave the United States of America four years of peace. Having been saved by millimeters from certain death, we now have the hope that President Trump will be able to lead us once again.

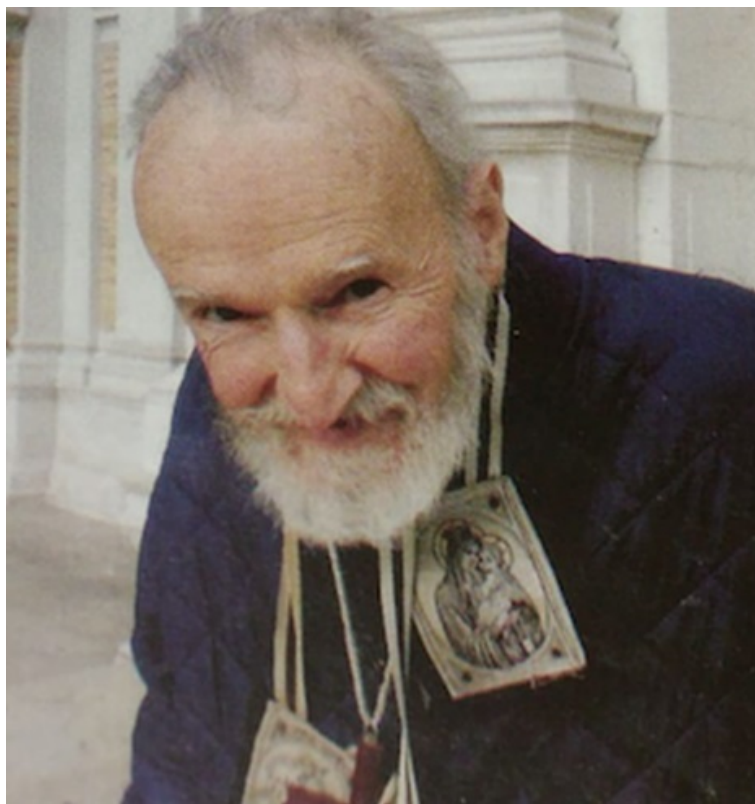

Prophecy of the Shooting

A video now going viral is “3 Prophets Explain 3 American Solar Eclipses.” It was posted *four months ago*. In that video, a man named Brandon Biggs described a vision that he said was given by God that there would be an assassination attempt on Trump’s life.

Biggs, at the 11-minute mark of the video, shared, “I saw Trump rising up, and then I saw an attempt on his life. This bullet *flew by his ear* and it came so close to his head it busted his eardrum. He fell to his knees ... He becomes really on fire for Jesus ... I saw him winning the Presidency....”

Prediction of Presidency

Thomas Zimmer, a World War II veteran, went on to live as a hermit, traveling from country to country and visiting holy Catholic shrines. It was at the Basilica of the Holy House of Loreto, in Italy, where I met him on October 2, 2000, late in his life. Tom exuded piety and humility and revealed himself to be a writer of the [*Pieta Prayer Book*](#). This devout man is said to have attended upwards of four or five Masses per day.

Thomas Zimmer

Before the young Donald Trump ever expressed any political aspirations, Mr. Zimmer predicted his election as President of the United States. Tom Zimmer is [quoted as saying in 1983](#) that “right now, in the United States, there’s a man who has the hand of God on him. He has the I.Q. of a genius and a first-class education, and everything he approaches he attacks with blinding efficiency ... his name is Donald Trump.” He continued: “I have bought a memorial brick for Donald J. Trump, I put his name on it, and he will now benefit from all the Masses and prayers in the Vatican for as long as that brick remains in the Holy Door.” This prediction came true when Donald Trump became the 45th President of the United States on January 20, 2017.

Trump and Our Lady of Fatima

On the night of his inauguration on January 20, 2017, President Trump had the forces of evil exorcised from the White House from the prior Presidency. At that time, the Maronite Catholic priest who performed the exorcism, Fr. Andre Mahanna, [presented](#) Trump with a statue of Our Lady of Fatima and a rosary.

President Donald Trump with Fr. Andre Mahanna

It is said that the room where that statue of Our Lady was placed was known as the “West Wing Chapel” owing to the image of the Mother of God and other religious items.

Conclusion

At the end of the day, the Immaculate Heart of Mary triumphed on July 13, 2024, just as She said She would on July 13, 1917. Just as Almighty God declared in Genesis 3:15, Our Lady [crushed the head](#) of the evil serpent and his forces of evil. For those who do not recognize all of the forces of evil complicit in the Trump shooting, besides satan and his demons, the video below should be instructive.

July 13, 2024 was not the final battle. The war against the forces of evil will continue. Padre Pio taught us that the Rosary is the weapon. The Brown Scapular is our shield. Our Lady of Fatima told us to pray the Holy Rosary every day. We must also make the [Five First Saturdays of Reparation](#) to the Immaculate Heart of Mary and then continue making reparation and encouraging others to do so. Engaged in a life-or-death battle, when all may seem to be lost, let us courageously go forward and confront satan and all his evil spirits. And let us be sure to vote against all the forces of evil in the next presidential election and

every election thereafter — and also fight against voter fraud, perpetrated by the forces of evil, which negates our vote.

Donald Trump may not be perfect, but none of us are. Almighty God and Our Lady, without a doubt, can be seen to be with him. He seems especially chosen and gifted to lead our country back to being “One Nation Under God,” unlike any other presidential candidate.

God Bless America!

God Bless President Trump!

In Nomine Patris, et Filii, et Spiritus Sancti. Amen.
