

It was great to have Anthony Stine from Return to Tradition on our show. Anthony has written many solid articles for [CFN](#), especially during this past year. In this interview we talk about some very important things: The Catholic approach to the US election, Anthony's take on the SSPX and FSSP, how the trad Catholic media world has changed and much more.

We also talk about the importance of reading old Catholic books, and you can help support CFN by clicking that ad below and buying those old books at TAN

Enjoy the interview.
