

Dr. Rao doesn't hold back in examining the controversy involved in Father Fahey's life and times, including Zionism, Freemasonry, and the 19th-century Catholic revival! Father Fahey was an Irish priest in the 19th century who is well known in the Traditional Catholic movement for being a crusader against secularism and a defender of Catholic Social teaching. He is most well-known for his works *The Rulers of Russia*, *The Kingship of Christ and Organized Naturalism* and *The Kingship of Christ and the Conversion of the Jewish Nation*

Dr. Rao speaks about why this priest is so controversial but also looks at his eminent intellectual history and the background of the 19th century Catholic revival, the origins of the Holy Ghost Fathers and more!
