

This week on the Weekly News Roundup, Brian McCall and Murray Rundus discuss the Trump address to Congress, the meeting with Zelensky, the US Bishops and their obsession with Ramadan, and on [Locals](#) Murray Rundus gives an extensive breakdown of the Jeffery Epstein case, and why we aren't getting the documents. The full story on Epstein is rarely reported because of those it implicates.

This episode has been limited in the recommendations by YouTube due to its controversial topics, please help us by sharing it around!
