

Brian McCall, known for his book “The Church and the Usurers”, gives a thorough look at Father Fahey’s vision of Catholic Economics, some more promising aspects of modern politics, and some challenges for Catholics and the future.

If you have questions about Distributism, Usury, the basis of money or anything related to Catholic economics, this is a great place to start.

Now on Locals as apart of our 2025 CFN Father Fahey Conference!
