

The Roman Forum hasn't been filmed in a long time. CFN's Murray Rundus was in Gardone the past few weeks and obtained for us in partnership with the Roman Forum 20 hours of footage of lectures from Dr. Rao, Chris Ferrara, Dr. Pink, and so many more!

They will be on CFN's Youtube channel, Rumble, X and premium content will be on our Locals.

Stay tuned!

In the video above Dr. John Rao gives a history of the early Traditionalist movement and the Roman Forum which stands at the center.
